REMARKS

A telephone interview was held on the 11th of May 2007 between Supervisory Patent Examiner Mehrdad Dastouri and Applicant's representative (Joseph G. Seeber, Reg. No. 27719) relative to the Request for Clarification and Restart of Period for Response (Paper No. 18) filed on 1 May 2007 in the above-captioned application.

Specifically, The Supervisory Patent Examiner stated that he would have the Examiner issue a new Office action within the next two (2) weeks in response to our Request, and that period for response would be restarted from the mailing date of the new Office action and would expire one month from that mailing date.

No fee is incurred by this Statement.

Respectfully submitted,

Robert E. Bushnell,
